Let me assure you absence render me for the mement completely

General Chund's of Commerce of Hougkong assistance I have received from several of the me to day. When I became acquainted with ratepayers. I am firmly convinced that a beatthy your kind and generous, intentious my desire all nationalities who are gathered together for opposition, is a vory important aid to good was to leave these shores without display and in ministration are very much needed, but most governments are slow to move, and- our ewn has been no erception to the general rule. But the move and move more in spoords ace with the I asked for a Retrenchment. Commission, and after repeated defeats, it was conceded less than two months ago .. From it I venture to predict satisfactory results in the course of time. aggregate cost of the administration of Government is excessive. It has risen-\$547,650 in 1887 to about \$774,000 in and to possibly a still larger amount for 1893. We have an army of officials, sufficiently numerous to govern a small empire, instead of "a doton the open. On our present Governor's own showing the service is overmanned, and certain departments may well be dispensed with or any degree to further its interest the reflection absorbed in others by amalgemetion. No one; of the fach is adequate satis action for my caam sure, will object to paying liberal salaries | deavours. I return my sincere and heartfelt to capable and deserving public servants, but we thanks and as I said, to day at the interestingmust have no cats that don't catch mice, and ceremony at the City Hall. I hold dear to my extravogance and waste must be checked and pre the welfare of Hongkong, in which I have vented. If not increased taxation must heces-

bazards should be averted in view of the heavy posal, and I shall apply myself with all losses sustained by the colonists during the last few years and the still uncertain prospects for the promoting there; in every way possible, the future. In connection with the Policing Ruk interests of this free port, which now ranks Society Incorporation Ordinance I readily admit amongst the very liest of the great seaports in that when it first came before the Council L was under a misopocoption. I was without adequate your generous and princely liospitality, and apmowledge of the work done by the Society, and of its constitution, and I very deeply and sincerar regret that I used a phrase, when speaking its operations, which was ambiguous and oapable of being misunderstood. I am beartily sorry that it was misunderstood and that gave pain and annoyance to anyone but assure you that nothing was farther from my thought, and that my meaning was that which His Excellency the Governor accepted and applied to my words. From another point of view I am not corry that I onosed the first reading of the Bill, as my opposition led to the appointment of a Commission, to my conversion, and to the triumphant vindication of the Po Lieung Kuk after an exhaustive and searching investigation into its past working The hands of the Society were thereby immediay strongthoused, and the immediate outcome was the incorporation of the Society by an unanimous vote of the Council, and the granting of a sum of public money to enable the Po Leung Ruk to contlone and extend its valuable services and good work. It is certain that I have made miss great grandfathers, and may every blessing and takes in the Council, and I suppose in every other part I have played in life, but you know tioned that I have fived ton years very happily the old aphorism—"The man who did not make mislakes never made anything." I think I have made something, for the result of most of my

present movement for more control in Durely

members of the Imperal Parliament, that

lent saleguard, after due warping given of the importance of protecting the living; since there can be no difficulty in resorting to this mode of lessening if not extinguishing the risk from infection."—Yours truly,  R. M. MEHTA  Hongkong, 13th May 1894.  A SUGGESTION  TO THE EDITOR OF THE "DAILY PRESE."  DEAR, Sir,—What is this disease that is coming upon as stealing into our midst like a thief in the might? This is not going to be an advertisement for Mother Siegel's Syrap. I do	of Commons an Irish Land Tenure Bill, which is designed to protect improvements made by tenunts from confiscation. The second reading of the bill was carried last night by a majority of 80.  TRANCE AND TRAIT.  The assurance given by King Humbert of Italy, in an interview with a representative of the Paris Figure, and would some day he felt by Italy for France and would some day he	Wege A TATION. E 3 & 42 TO SEE
not think that valuable remedy for so many solies and paine would be of any avail in abating this playue that threatens our colony at the present moment, a playue that is similar in all appearances to the great playue of London, the Black Playue of 1665. Let us take steps to check its advance. Perhaps our worthy Sautary Board are taking steps. What is it that is wanted? A thorough slaiding of the drains and thorough purification of the town. But with hardly enough water for drinking purposes left in our reservoirs how is this to be done? Rain we may get before long, good heavy rain	Alliance.  Lowbow, 6th April  A receiving ordering his been granted against & P. Elavin the noted puglific. His liabilities are set down at 2700.  Mastre Newprance and Latrard, solicitors, of Everham, have failed. Their liabilities are stated at £300,000.  Lowbow, 9th April	Macaco   29.77   53   53   53   53   53   54   17   Gas Co.
